Here I am another day in hell. This cell P-4102 is an oven. so I'm dealing with heat all day and all night. on top of that I stay hungry.

I've spent the last few days working on this new Affidavit supporting this Hunger strike. This one is going to be very interesting to see how it unfolds. And I'm really not looking forward to this, cause I believe this one may kill me. But I'm just not going to sit here and accept the corrupt sadistic a** sh** these people are doing! "It stops, or die!" It's just that simple. But these malicious sadistic S.O.B.s in this DCI Administration will probably allow me to die. My only chance is some one up top in Tallahassee takes notice and steps in and says enough. Will that happen? I'm not going to count on it.

The most disappointing thing to me, is this Federal Court. Some how I believed in them. sucker!! "yeah... that's me. Where in the hell did I get this idea, that I could believe in any court that's associated with the United States of America and the Fraudulent Concept of equal justice, Equality!" my a**! The only equality I've witnessed, is the poor get screwed time and time again. That Federal Court sure hasn't been there for me. It did nothing but tie my hands, I'm not at all impressed with the Federal Court's OR the United States Constitution. For I've found them both to be absolutely worthless!" A true disappointment!" The more I think

about it, the madder I get. Some ones reading this saying, "Lucky you ain't in China or some third world country they'd just shoot you in the back of the head." Well I'd rather you shoot me in the back of the head, than sell me a pipe dream. But to each his own. I mean... sure there are those who like to be sold dreams, that have no basis or reality. I'm just not one of them. Black is black, white is white, damn the gray area, For right is right and wrong is wrong. And here I sit in the land of the Free and the home of the brave. And it's a crock of sh** For the poor are depraved. Oh well... that's life, a big never ending disappointment.

Regretfully
