

CHAPLIN

In May of 2011, I was diagnosed ^{January 8} 2012 -
with Cancer, I am 55 yrs old, 5/9/56 -
I will be 56. I have not blogged for a while.

AFTER thinking it over & over. What I really
need to do is apologize, all the people I have
hurt in my life, there was a time when I
really loved this aggregate "I", now - not
so much, I've done some terrible things in
this life. If you were hurt financially,
physically, emotionally by me. I am so
so very sorry. There were many chances
for me, but I blew them. If you are
someone that I have hurt, I have not
forgotten. All my Life, I have to
run and re-run here in my cell. all
the way back to my first memories!
