Ultima,

First let me say thanks for your response to my post. I see you and I both have a hard time getting responses (LMAO) but hey... you win some and you lose some I suppose.

Unfortunately I can't have access to the internet otherwise I check out some of the pieces you got out there and give you some feedback.

If you get the time, just print a few of them and send them to me through the mail and I can read them then send

you my comments:

Being in prison has one restricted to this small bubble and it just feels good to reach outside of it from time to time. This blog and comments like yours help's to do that so thanks. No need to beg me for my comments though (LMAO), I gladly give you my feed back once you mail me your pieces.

Take care out there and don't give up on voicing your ideas, thoughts, and opinions.

Appreciative of your words,
- Tarvus -
