

Diane Naud - glad ya dug my analysis for AINC 2012. Await
your further comments/collaboration. Might want to go over what I've
already posted, 'cause - aside from the profound + humorous + both -
there's a lot posted to point out issues + why they're issues for prisoner-
justice activists. I'm not just an "activist;" I must live too, + I do.

My Best to You All!
Nate
