

AT-TEN-TION!!! AT-TEN-TION!!!

WORLD AIDS DAY 2012 IS COMING SOON

REGIMEN BY REGIMEN WE ARE MOBILIZED

AND WE ARE MARCHING ONCE AGAIN TOWARDS ANOTHER WORLD AIDS DAY

IS IT JUST ME OR HAVE TOO MANY PEOPLE LIVING WITH HIV/AIDS

BECOME BLENDERS? THOSE WHO CAMOUFLAGE THEMSELVES

IN THE FABRIC OF THE PASSIVE MASSES. COMFORTABLE AND CONTENT

WITH LONG TERM HEALTH CARE MANAGEMENT FOR THEMSELVES

BUT HAVE NOT THE FORCE OF WILL OR FIRE IN THE BELLY

TO STAND UP AND FIGHT SIDE BY SIDE WITH THE VERY SUPPORTERS

AND CHAMPIONS OF THEIR CAUSE. SOME HOW I KNOW THAT VERY THOUGHT

WARMS THE HELLISH HEARTS OF EVERY GLOBAL

PHARMACEUTICAL SYCOPHANT WHO LINES ITS POCKETS

WITH PAYOLLA. TRUST ME LONG LIFE AND GOOD HEALTH ARE OLD CARROTS

ON NEW STICKS. MAYBE ITS MY MISGUIDED MILITANCE

BUT I HAVE NOT ONCE IN THE LAST 20 YEARS FELT THE STRUGGLE

AGAINST THIS VIRAL TYRANT WAS A BATTLE TO BE SATISFIED

TO CO-HABITATE OR BECOME DOMESTIC PARTNERS WITH HIV/AIDS.

THERE MUST BE AN UNIFIED FRONT. TOGETHER WE ARE A WALL.

NOTHING GETS THROUGH US, OVER US, UNDER US OR AROUND US.

WE MAY REMINISCE ABOUT YESTERDAY, WE MAY

DAYDREAM OF TOMORROW, BUT WE HAVE CROSSED

THE LINE OF FIRE AND ENTERED INTO COMBAT WITH HIV/AIDS TODAY.

WE HAVE TO TRIANGLATE, REGROUP AND MOVE PASSED MAKING NICE

WITH THIS INSIDIOUS VIRUS. AND ALWAYS FIRST AND FOREMOST

SEEK THE TOTAL ERADICATION OF HIV/AIDS FOR ONE AND ALL.

LET US HONOR THE MEMORY OF EVERY MARTYR. AS WE

SHOUT, MARCH AND WIN.

VEST UP AND VIRAL DOWN. TOGETHER WE ARE POSITIVE PROOF.
