

SOME PRISON OBSERVATIONS

7-23-12

I'd like to dedicate the first part of my blog to all of the Rehabilitation the great State of Gahlzföhmya has given me:

Erm... well... it seems we have lots of room for a dedication to all of the good that came from destroying lots of peoples lives by prosecuting ^{my} misdemeanors as felonies:

Ummm... Gosh! Still SO MUCH ROOM LEFT!
I know! I'll expound upon the wonderful amount of positive learning experiences I got from this out of control prison state:

Heh... well! Gee, still so much room! This is a bit awkward! Oh I know! I'll share with you all the benefits of locking up entire populations and jamming our prisons & appeals courts full of wrongfully PERSECUTED (yes that is spelled correctly) people:

Whoa! Time sure is going by slowly in this blog - I figured all this would be so much longer. Boy, I guess I was wrong... Naw, can't be! Oh! Hot damn! It's 5pm - time for the Evening Perp Walk - er, I mean the Nightly Mug Shot parade, oops!
I mean the NEWS - yeah... news... sure. Uh-huh!

Think ABOUT IT -
