You Stopped Believing in Me

By Bro. Khalfani Malik Khaldun #874304

*Never thought it would come to this
You promised to believe in me when we first kissed
Our love was genuine, a single visit never missed.
Now all I do is think of you in my dreams
As I turn and twist...*

*You stopped believing in me
Has my love in your heart died?
I am sorry for the nights I made you cry
For each time you thought I lied
You were the soulmate of my life
My potential loving wife...*

*You stopped believing in me
I knew it happened when your visits stopped
And the number of your letters dropped
When my words would not lead you to action
My heart felt the lack of attraction
What we had it was like magic*

*You stopped believing in me
Baby you said if we can't be lovers
We would always be true friends
Devoted to being concerned about
One another's' care and wellbeing*

*How did it come to this baby?
Your love was my pleasure
Your heart, body and mind
Was my treasure*

*I was your king, you were my queen
How could it end this way?
I never thought that you, of all people would
Stop believing in me*
