"I Need Help for Medical Law Suit"

I still need help with my medical lawsuit. I trying to get help because, I'm still in a lot of pain. My left knee still hasn't been fixed & I'm in a lot of pain 24/7 - I can't sleep at night because of the pain. I also have nerve damage in my L3-L5 vertebrae - the nerve motor signals aren't working - so my left leg muscles from the waist to my ankle are still shrinking. They are more than $\frac{1}{2}$ the size of my right leg.

I want to file a medical lawsuit to try to force the prison to help me, so I don't continue to get worst. If I get worst it will be bad for the prison & me, & cost us both more money & care. I still haven't received any help from anybody to help me with my medical lawsuit. I don't have the money for legal help.

I can't even afford to pay fellow inmates, who do legal work for other inmates - we call them "legal beagles". The cheapest one I could find wanted \$300. If you know anyone that could help me out - I'll really appreciate it a lot. Tell them they can send me money by "MONEY ORDER" or www.JPAY.COM. Thank you very much. GOD BLESS YOU. My prayers are with you. ☺ My address is below:
