Dina.

Just received your reply tonight from B.T.B. yes they (staff) switched the mail. They've done it to other guys as well. I'm sending out an Affidavit tomorrow to the post master General, I'm going to make sure they investigate these missing letters. I haven't been hearing from hardly anyone, and I'm guessing because they're not getting my mail. Warden Reddish has these people playing dirty.

Has my sworn Affidavit been posted over here on btb, dealing with the officer on inmate assault's strip cells and the other retaliation that I've endured? I'm hoping so. As well as the information on the August 1, 2012 Hunger strike. I'm concerned they maybe messing with my legal mail. I hope not, but I do know they did that last year. I hope this makes it out of here and gets posted. I have some stuff before Judge Jennifer Parker in the Union County Courthouse Case No: 63-2012-CA-0089. And I can only hope that the court looks after me, and ensures that Reddish and his goons don't jump on me, "again" or retaliate in any way, shape or form during this August 1, 2012 Hunger strike.

I've got stuff going out to MSNBC, ABC World News, The New York Times and numerous Florida News papers on Monday July 30, 2012. I'm either going to win this hunger strike or die trying. I've had enough of these idiotic childish ass games of the sadistic moronic ass Barry v. Reddish. I'll be sending you a regular letter over the weekend. I love you my friend. Please take care and write soon.
