

WHAT 'BUDGET CRISIS'?!?

7/29/12

If you live in Gahl~~st~~Fohnya, you inevitably will be affected by our ongoing budget crisis -

If you are a child who wants an education, an adult who wants reasonably priced higher education, a disabled person who wants reasonable care, an ill person hoping to live, an SEIU worker, a Cal-trans worker, a teacher, a fireman, A CITY... Well I guess you all are pretty much sh*t-outta-luck. Too Bad! So Sad! you do not get any funding!!!!

BUT if you are the Dept. of Corruptions & Racketeering you are NOT having a budget crisis! Der Guhroner Hess Reichsoberführer Jerry Brown gave these clowns EVERY PENNY they asked for. The decry 'layoffs' but the truth is - they had too many employees - not budget cuts. They complain about closing some youth & women's prisons BUT those are being converted to MEN'S prisons. They want you to FEAR that the public is not safe, but maybe they have a point - even if its misdirected - the point is the PUBLIC is not safe from the GREED of the CCPDA/CDOR.

I BEG future President Mitt Romney to PLEASE nationalise the prison system and END the evil rule of the Nazi party once and for all. End this union of satan's clowns... For National Security and peace of mind

Thank you -

Arish
