

BEURACRAZY ROCKS!

8-2-12

As it were, I am parolling in a few months. So I sent off to our illustrious 'care providers' (Ha Ha Ha Ha) to make an appointment to meet with the legal affairs nurse so I can get copies of my medical files to take home with me. Simple, right?!?

So they sent me a form explaining my 'rights' to my file.

And a form explaining my 'rights' to my file in español!

And my original request... untouched

And my original trust withdrawal to pay for copies... untouched

And A FORM (IN ENGLISH - thank-you-Jayecuss) FILLED OUT INSTRUCTIONALLY (the blanks filled in WITH INSTRUCTIONS) of which the form had instructions written on it...

BUT NO BLANK RELEASE FORM TO FILL OUT.

This is a joke, right? C'mon! SOMEONE must be reading 'Hitchhiker's Guide To The Galaxy'!?!? RIGHT?!?

Oh please let it be that! PLEASE DON'T LET THE VOGONS ACTUALLY BE IN CONTROL!!! OH GOD, NO! PLEASE. NO!!!

The Nazi's had a Form for EVERYTHING, that HAD to be filled out in TRIPPLICATE. Have WE actually become this? SOMEBODY PLEASE WAKE UP AND FIX THIS BROKEN STATE! (NOT the Vogon's...) (Not you NAZI's either!)

Beuracrazy Rocks!

Yes - I know its 'bureaucracy' but Be-u-r-a-crazy fits better!!
