

Same age
 as
 Jesus
 memories
 but I got
 No
 death &
 pronounce
 as love
 escapes me
 mission the
 greatest &
 best of
 these
 Maybe someday
 soon
 even so: it
 right now.
 U fall in my
 tomb
 the ~~app~~
 opposite of
 the door
 like jumper
 over the
 broom
 "love & life"
 Resurrection
 smile who
 hesitation
 have will
 find you -
 step been
 important
 & Birthdays
 are different
 now-a-days
 Happy Birthday
 & U

Yes
 you
 want to
 meet my
 daughter
 but yet
 I keep
 thinking
 about
 you.
 Getting &
 know
 to tell
 you its
 mine
 would
 mean
 expectations
 not born
 for me -
 like Jesus
 Born for
 some one
 else
 just
 like Jesus
 Born for
 others

If I couldn't talk
 I would walk
 on tears
 If I couldn't smile
 I would walk
 in fear
 If I couldn't hear
 my CF would
 be quiet
 If I couldn't
 touch
 reach w/my feet
 If I couldn't smell
 who would no
 If I couldn't live
 - a death penalty
