MATTHEW JANKOWICZ

"PLEASE HELP ME"!

I am struggling right now a lot. I have run out of all my cosmetics/toiletries. The prison here only provides me with 1 roll of toilet paper & 1 soap each week & that's it. Everything else I need I have to buy. I don't have any money right now, so I can't provide myself with my needs, I didn't even get a bar of soap yet this week. I hate to ask for help, but I don't know what else to do. I know most people don't care about inmates & think they deserve what they get. I felt the same way when I was on the outside. Up to the age of 45, I never committed a crime - the most trouble I ever got in too, was a speeding ticket. But now that I'm on the inside of a prison - I now know how bad it is & if I even get out I will never feel the same way about inmates. I would give them a second chance & help them get a job. There are a lot of good people in prison, that just made one mistake of bad judgement & do feel sorry & regret for what they did - I know I do & would never commit the crime I did ever again. I ask for God's & the victims forgiveness everyday. I became a Christian over 3 years ago & pray everyday. I want to be given a second chance at a new life & freedom. I have been locked up for almost 8 years & have another 20 years to go before my 1<sup>st</sup> parole hearing. Remember I could of been your brother, son or husband, I never thought in my whole life that I would ever be in prison - but here I am, I'm still in shock & disbelief. Please pray for me.

My prayers are with you all, GOD BLESS YOU ALL. If you can help me - please send me money by "MONEY ORDER" or "www.JPAK.com" (inmate # is F25822). If you want to be my pen pal or just write me, my address follows: Matthew Jankowicz F25822
