

For my Mother: a thought of her
I hold dear.

She's always been there throughout all
these long lonely years.

The pain in my heart I can
hardly bear,

Because my prison sentence she
also shares.

The best wish or gift I can envision,
would be my Mother seeing me free from
this prison.

Thank you Mom, for the love & support
you give.

That's what nourishes my Will to Live.

Your Love keeps me from losing my
head,

Even though the rest of the world has
left me for dead.

One day I'll be Free from this "debt" I
have to pay,

And I'll be able to truly say...

Happy Mother's Day!

I Love You, Mom! Scot
