

"Dear snowwhite59221: Thank you so much for sharing my story about "X" (Scott Rose) with Richie H. I know Richie very well, in fact I was assisting him with some matters before I was so unceremoniously moved from MCI Norfolk (trust and believe I am beating them up in Court over that one!). My hopes are that you may want to get involved in a "big picture" project I am working with outsiders to organize. This would work to establish a "platform" from which to raise our collective voices. Contact me directly to find out the details. I will be hoping to hear from you soon. Peace!"
