

# ONE WITH ME

by Xzyzst

Finding myself alone sometimes,  
Gets me to wondering will the sun ever shine.  
And there you go again,  
There to pick me up, forever extending your hand.

Everywhere I go,  
Every step I take, and every move I make,  
And every time I cry,  
You go out of your way just to see that I smile.

You'll never leave my heart so don't even think about it,  
Just can't let you go, this you need to know.  
My world is you, and there's no way around it,  
Because you're all I need, you are one with me.

Always on my side,  
You stayed down for me,  
Whenever I'm wrong or right.  
And there's no mystery,  
I just want to tell the world,  
That you are one with me.

You are one with me,  
You are my everything, my one and only.  
You are one with me,  
And everything I do,  
I'd rather do it all with you.  
One with me, one with me, one with me.
