Food for Thought: The Stunion (🙏) Piñata

Dumbfounded perplexed yet mesmerized by its very sight. Physically I'm relaxed lotus position, spirit at ease pondering this plight. What's this I see? What can it be? Bald head, bronzed skinned, chubby piñata, guaranteed its shells gotta be thin & filled with some reward a lotta. What can it be staring at me? It's not native, clearly from across a sea. Here's looking at you looking at me. Transfixed I reckon to grasp this miniature statue I place in my lap at last. And wrestling my conscious dare I shake, rattle & roll the object of my desire? Or by Divine providence will I be cast into a Lake of fire? Sweets & sour's it might be full of candy, decadence of delights that fancy ones dandy. Enlightenment awakens my senses, excuse me for those moved to winces. Being a brother it could have been smooth'n. The profound questions:

"What's in a Buddha?"

Put The Stunion (🙏) on board every modern, mechanized, transistorized & digitized chariot of action that is functioning in the main stream of society share the life & message of The Stunion (🙏)

Political Satire The Stunion 

Osama bin Ladens dead, 'GMs alive'

In an effort to pander to homosexual constituency, 'The Woman vote. The Democratic National Conventions held in "The Queen City". Crossdressers, homo, 'hetero sexual delegates alike descended upon Charlotte N.C. to get down to grimy business at what's been dubbed the beers, 'queers summit.

Incumbent Presidential nominee Barack "slow hands" Obama, 'Vice President "I can take a foot in mouth" Joe Biden sashayed in wearing matching Adam, 'Steve Bill Bass pin-striped executive suits with adorable Prada Italian loafers. Joe always the elder statesman, who said chivalry is dead?, holds out his hand to Barack escorting a procession from The Beast. This would be the last of my 3 part interviews with this out of the closet pair.

JT: Mr President. Vice-President you're a darling couple. The landscape of American politics has changed. What's your attraction to Joe Biden?

12. See note 2, supra.

Potus: Despite his waffs. As a freshman Senator, new to the Hill, he mentored me. Many hours were spent together lonely sequestered away in coat rooms or cubby holes getting in touch with our feminine side. Going over figures, rechecking weights & measurements, exploring sex, never forgetting to neglect legislative responsibilities. In a crunch he's my man.

V.P.: Barack's my man in a Hersheys Nestle Crunch. Believe me, I know Obamas mettle. He's my anal ecstasy digger. I'll go Dirty Harry for him.

J.T.: How does the First "Beyonce want a be" find does homoerotic advances?

Potus: Michelle "If I were a boy"; I are real swingers. Bill "don't ask don't tell"; Hillary "mirrored glass ceiling" Clinton know we're a Modern Family.

V.P.: Executive branch cabinet twister.

Potus: Dr dill "in heels", doe crossdressing in lingerie & Caligula reenactments. I can't wait for the ballans to drop. (Canceled due to rain.)

V.P.: High drama, huffing, & snorkeling the Big Kenyan
Patus: The Real 50 Shades of Grey. There's no holding
him back when his heads in the game.

V.P.: Welcome to "The View", that's how I took down
Osama bin Laden. I'm a regular General Motors.

Patus: I wasn't raised in an outhouse. Thanks to Dr.
Martin "Lucifer" King Jr. & Oprah "break wind frey"
I'm in The White House painting it rainbow
neon bright, free to oil up whomever I please
in the bath-house. At times it's "No Easy Day".

J.T.: Republican's say you've an unhealthy relationship
with celebrities. Are you better off today than you
were four years ago?

Patus: Clint "empty chair" Eastwood, Mitt "moron" Romney
& Paul "P90X" Ryan are no real threat to the DNC.
Our platforms focused on Chick Fillet, 1 percent
mother fuckers, & John "are you going to use those
slow hands?" Travolta.

V.P.: Real issues. All this talk about cunts making me
want to take this cock-ring off. Wheres that
Wisconsin lesbian Tammy "no dick" Baldwin? Like
to poke her tight ass on Face book.

Patus: From Craigslist to convention, you're the peoples
2nd Freak.

J.T: Time restraints dictate I conclude. Thank You, Mr President Vice-President (I exit the room having inadvertently left an open microphone)

V.P.: A fucking flowery discourse of language. What type of prick wears head to toe hunter blaze orange outfit to a Presidential interview? Who vets these dick-teasers?

Postus: Remember, this seats already taken. Motor-head

V.P.: I got a bumper sticker for you. Go fuck yourself.

Postus: I can't do that.
