Dear Charlie

I hope everyone there is great.!!

Thank you as the card says. But I thought I'd say it too. I've enclosed

3 stamps. I know that it is not much - but I hope it helps you guys with your mailings. I'm still in the hole.!!

Yeh! A little rough - but I'm going to be okay!! Hey how's Regan?

She sure is a cutie Ah ha.

Tell her and the rest of the staff I appreciate you guys for all your doing there.

I'm sure Society doesn't have a true concept of prison life except the one our media feeds them!!

I have moved out of my last cell please correct your mailing list. Thank you.

Looks like Mr. Winter is very close - for some too close. I'm a wintery guy. East Coast - can't get much colder than Maine. Well guys I'll keep this short. God continues to bless you.

W/R

James Collins

Look forward in hearing from you!!
