Dear CC — You are welcome to write to me personally at the following address:

I encourage you to continue your hormone therapy under a medical doctor's supervision, and find some gender identity specialists that you may consult with. Feel free to write to me, and I will be happy to answer any questions to the best of my ability. However, I'm not a doctor and can't give medical advice. If I can be helpful as a friend or sister, I will be happy to correspond with you. This is how we build our FAMILY. —
In true friendship & sisterhood, ♡
Queen Jennifer, a.k.a. Baby Girl
