

Sorrow has no Place Poetry by Jc

I'm going to heavens Golden Mountain
Where goats dont need to graze
A Place telephones cant sound a dingle-ling
And where Preachers are not recognized
No foot Prints into human past
A Place where Sorrow has no Place
Where the only record is the lambs book of life
It is a Place where Vengeance can not hide
The Place of Song & dance
Harmony Pleasing our Lord of Lords -

And King of Kings

Poetry: 2 Step

Its the same ole thing
Dancing Heavens "2" step
With glee leading the way - & singing
"My Jesus is all I need
On mountain tops -
I'll sing this Song to him
Its a new day - and beautiful hour
With each & every word
I know Im making my Savior Smile
