Less than 30 seconds into an article his gut  
busted releasing his sphincter from laughter. The  
Stools of Hiroshima broke loose when relieving himself  
justice Thomas farted. A rotten mushroom cloud of  
toxic radioactive gas fog had encompassed the entire  
666A lav chamber pot. Brilliantly wiping his ass  
with the fine print of The Stunion (2) opening the stall  
door to exit he became alarmed. Heart palpitations  
smelling smoke & seeing fire instinctively began to  
stomp out the brown bag aflame. High velocity shit  
flew splattering everywhere at supersonic speed so  
fast The Jet Propulsion Lab would have been astonished.  
All justices Alito & Scalia could do to contain themselves  
from soiling their robes is smile, chuckle & exchange  
secret society handshakes of brother hood. This tale
