

NAMASTE? And other thoughts -

Sep 25, 2012

- 1) Hi Ralph - got your brief note - I know it's you; you goober!! Namaste back at ya!! Glad to see you are back home!! Hope it all goes well!
- 2) To all my readers - time on this blog may grow short. I go home in January but I want to blog during parole, about starting over so DO STAY TUNED!
- 3) I will be starting a real web-site for my books as well - I'm going to have to transcribe it all (any secretaries still know shorthand?) and I think I want to stay Kindle & Nook oriented for the first book or two... see how it goes.
- 4) SKUNK ATTACK! Gonna be a dry winter I think - a pair of skunks have figured out how to get on to our yard and are rooting every site lately. Some stupid c/o apparently tried to run them off in a golf cart... hahaha...
- 5) Ladies weigh in: Do you think a guy is more attractive in his 'careman' or 'domesticated' mode? Jeep CJ or Bronco? Long hair or short? Cimon gals - what's hip these days?

Stay tuned for a couple of B/G blogs - I'm working on some new anti-prison, pro-truth stuff as we speak (read!?)

Don't be a twit! Happy Thoughts
Cindy
