THERE ARE THINGS THAT ARE WORSE THAN PRISON,
WITH IT'S STEEL DOORS, AND SHACKLES THAT BIND
AND THAT'S THE LIMITING OF ONE'S VISION -
BY DOUBTS THAT CAN BIND AND SHACKLE A MIND.

GREETINGS IN SOLIDARITY - GRACE AND
PEACE TO MY BROTHERS AND SISTERS
IN CHRIST - TO THE FRIENDS I
HAVEN'T MET YET, I SEND AN
OCEAN OF LOVE WITH A HUG UPON
EACH WAVE.

YOU WOULD BE AMAZED AT HOW
COMPLICATED IT HAS BECOME TO
ENJOY THE BENEFITS OF M.I.T.'S
BETWEEN THE BARS PROJECT... IT'S
TOO SOON TO "POINT FINGERS," BUT
BEFORE LONG I MIGHT HAVE TO
TRY AND FILE A LAW SUIT IF MY FREEDOM
OF SPEECH RIGHTS ARE ACTUALLY BEING
TRAMPLED UPON. - SOMEWHERE "IN BETWEEN"
THOSE 2 EXTREMES I'VE HAD TO "WHISTLE
LIKE A KID IN THE DARK" ☺

NOW - IF ANYONE CAN FIGURE
OUT WHAT I JUST SAID. ☺ 10 BONUS POINTS
L.O.L

The 'mail room' here has sent back a 'package' from 'Between the Bars' - I have no idea what is included.

I had hoped that I would be able to receive a copy of 'comments' posted by visitors to my little spot on the digital highway. - Not so.

There have been so many 'complications' - that at this point I have no idea how many of the 400 pages I've attempted to post, have actually made it 'online'.

Could someone please write to me and let me know (approximately) how many pages have been posted.

The cover art has been done by a good friend and brother in Christ - We have plans to move forward with a line of INSPIRATIONAL Greeting Cards, that can be 'GIVEN AWAY' online. (Stay tuned :)

I want to thank the sender of that anonymous letter from Colorado - The simple beauty of that message struck a chord that resonated within my soul - NAMASTE!

Once I find out what has already been posted to BTB.org - I hope to update the site daily, I also need to find out what "hurdles" I will have to leap over, and what obstacles will arise with the main room here - At this point it could just be a series of "mistakes".

My next step is to file a "Grievance" and find out how much of this is a minor inconvenience, and how much is a problem for the American Civil Liberties Union.

One of the most beautiful things about Between the Bars - is that it attempts to bridge the gap between inmates and society. The "Digital Divide" might as well be the Grand Canyon - 2.3 million inmates in this country and they will be released at the rate of 70,000 per year! - They will be expected to "re-enter" a society from which they have been, effectively, "cut off" - Snail mail is going the way of the pony express, and the recidivism rate will continue to rise unless this "issue" is addressed.

As for me - I simply long to share ideas with people 'beyond the wire'... It is what inspired my friend Robert Brown to draw the cover art of BUTTERFLIES making their way 'BETWEEN THE BARS' ONCE, he asked why I was always 'TAKING NOTES'. As we made our way across the airport - I told him that I was collecting 'thoughts' the way some people collect Butterflies - later I would 'pin those thoughts to the page.' (much more on that concept at a later date.)

Once again - At this point, I can't expect that 'COMMENTS' posted will be able to make it in me here at Century... perhaps it will take a simple 'GRIEVANCE PROCESS' or maybe a civil suit. In the meantime, 'feed back' would be like water to a thirsty man. PLEASE WRITE!

May God continue to make His face to shine upon you all.
