

Sarah in Colorado (Stripex Sox), Thank You so much for your kind words. I too believe that love and peace are amazing forces for unification. In fact, it is my belief that there is no higher purpose in life than discovering true love and compassion for one's self and for all beings. It's power can transmute any hell into a heaven, which will be the ~~new~~ topic for the next blog post.

Inspiring comments such as yours do so much to lift my spirits, so I can continue to travel this difficult yet rewarding path. Thank You.
