OFF DC

well I'm finally OFF Disciplinary Confinement (DC) but the question is... how long will I stay OFF D.C.? How long before these Criminal Correctional Officers falsify another state document Disciplinary Report (DR) committing another unlawful criminal act in order to reprise against me. That's the question for which I do not have the answer to. And it's also something that I can't control. I can't control the lack of honor and integrity of these criminals the F.D.O.C. hires as correctional officers.

one of the key things that need to be changed here in the F.D.O.C. is the hiring process. I mean... the F.D.O.C. will hire anyone. and I do mean anyone! And that's why we have a lack of honor and integrity here. Cause not only are they hiring a bunch of no good criminals. They hire the mentally ill, to work in maximum security prisons. a practice that is reckless and dangerous to public safety..

The stupidity of the F.D.O.C. is just outrageous on so many levels. What are they thinking?!" But there lies the problem, they're not thinking. you want a job? you got a pulse? your hired. That seems to be the reasoning. And that's why we have this chaos and all this criminal activity taking place here. Because, cause every one is to damn stupid to apply common sense! A bunch of damn idiots!"
Key - the truth hurts and I'm giving you the hard core truth.

sane people don't go to work looking to beat on helpless defenseless individuals. They don't look for ways to make an individual's life as miserable as possible. No - those are the acts of individuals

OFF D.C.

who are sick, and mentally disturbed. This place is a mad house! But hopefully with Warden Barry V. Reddish and his henchmen leaving, things will improve here at Union Correctional Institution.

I still have to worry about several sqts (who I've exposed their criminal activity) setting me up.

So I have to live with this daily stress that they will send one of their criminal associates to my cell to lie and falsify more state documents in order to get back at me. Because this is the Florida Dept of Corruption where criminal unlawful activity runs rampant, so I must anticipate further illegal acts of reprisal.

Sincerely
