OPINIONATED JERK

9/28/12

Yep- that's me! So I'd love to get some feedback vis-a-viz what should I expound upon? Hollywood Predictions? Famous inmates? More prison observations (i.e. Morons' series, Bad Cop/Good Cop, etc), My top 5 hottie list?

I HAVE MANY MANY many opinions I'd love to share but my 'notes' book has over 1000 blog ideas now... I don't know how many I could write, really... so tell me what you think you want to read. I'll call you out on it so BE CAREFUL in what you suggest.

SWAN MAIL or E-MAIL, let me know!
