

It's Just a Matter of Time...

Caged Butterfly

It's just a matter of time for...

"Just Seeing you makes my day."

to Change to...

"You know I don't like your hair that way."

It's just a matter of time for...

"I love the way you dress like that."

to Change to...

"Why you got that on, you know you're too fat."

It's just a matter of time for...

"I love your lips, give me a kiss."

to Change to...

"You got a smart mouth." Then your lip is split.

It's just a matter of time for...

"Baby you know I'd never hurt you."

to Change to...

"Now look what you made me do."

It's just a matter of time for...

"I love you and want you for my wife"

to Change to...

hands around your neck trying to take your life.
