"OPEN FOR DEBATE"

page 1 of 1

Here we are building a civilized society, a nation — on the foundation of murder. America, a leading nation who spits human cadavers out of its death chambers without blinking an eye.

America has done nothing more, than construct and reconstruct its laws, in order to make it a lawful act to murder its own citizens under the mantle of justice.

A heinous and atrocious act of premeditated murder by a Government, and a Government that is suppose to be the leader in human decency. yet it's a Government that manipulates its laws in order to murder the lower class. This is truly a screwed up system and a screwed up society who tries to justify murder for murder.

Any one who is for capital punishment and would like to argue their point on my blog, — I'd enjoy hearing from you. once you leave a comment it takes 2 to 4 weeks to reach me. and another week for me to respond. Please keep that in mind. Thank you for your time and any comments.

Sincerely Ronald H. Clark

- The Death Penalty :-
A Rich man will walk,
and a poor man will die,
and America will scream
an eye for an eye.
But only a poor mother
will cry.
For a Rich woman's son
will never die.!
