

Caged Butterfly

*With Grace you find Strength, Hope and
Peace for body and soul.*

Welcome and thank you for visiting my page. My name is Maisha Mahalia and I am willing to share my goals, dreams, feelings, and fears with you. I am understanding, sincere, open minded, down to earth, reliable and goal-orientated. I enjoy hard work and a challenge. I like learning new things and seeing different places. My hobbies are writing, drawing, reading, listening to music and puzzles.

You will not regret taking the time to get to know me. I hope this blog will draw your attention enough for a brief comment. I look forward to hearing from all who are interested in a friendship. Again thank you for taking the time to visit.

*Respectfully
Maisha Mahalia*

*Battered by emotions and physical
pain for many years*

*Unloved in my mind, by those
who should hold me dear,*

*Tainted by experiences endured at
a young age*

*Terrified, I will never find what I
truly need in this cage.*

*Abused by the ones I thought
would love me and catch my tears.*

*Fallen into a life that has me
living in the grips of fear.*

*Living in a place that no one will
be able to comprehend*

*Yearning to be loved and set free
from the turmoil within.*

*As, a caterpillar transforms while
trapped into a butterfly,*

*So I will be transformed into a strong
woman as I release the fears I hold
inside.*
