Okay, it's been a long time since kind
i understanding words were aimed at me so
Thank you, Nicki U6R3. As for the Turmoil i
just let it go. I'm no longer upset, still
somewhat confused but it will pass. I
have written a lot since then here are
three from earlier this year. I wrote, 'one' i
'Day of Wrath' when i still was mildly upset.
They are all self-explanatory.

Respectfully: MR. Tucker
