

My 'HAPPY THOUGHTS' And other phrases...

10/4/12

** Some of this may be a repeat blog **

'Happy Thoughts' is from the TV show Dead Like Me. Rebecca Gayheart says it before running off to the 'great whatever'

Also I steal 'It's not so bad, to be dead like me', 'Peanut', and 'Gee, I don't know, Dolores; do you think we should?' from the same show. Brian Fuller is a genius... So is Ellen Muth (No, really! she is in MENSA!)

I stole 'Argle-Bargle' from Stephen King. Better sounding than 'oh f*ck' all the time; so I think. SK... also pure genius

'YOU CANNOT BE SERIOUS' came from John McEnroe, who is still my favorite tennis champion of ALL time.

I was using 'Morons!' LONG BEFORE Hugh Laurie/House. that I claim for my own. since at least 1985...

'Whatever tickles your Twinkie' comes from Benny Hill, I think?!? (or Don Rickles)

'D'oh' belongs of course, to Homer Simpson

'Alla y'all' belongs to the GREAT state of Texas.

To any phrases I've used in other blogs that I've missed crediting here, I apologize, the oversight was unintentional!

And yes - 'Ventura Highway' still has not gone away!
'D'oh'!! 'Argle Bargle'!! 'you cannot be serious'!

Hey America: Happy Ventura Highway Thoughts
