

Observations... Not nice!

10/7/12

To all the MORONS & JEHOVAs WITNESSES (that's redundant, yes?)
ON DECEMBER 22 when were all STILL HERE what
will you do to sell your shit for muddy water afterward?
Nothing is going to end on 12/22/12... Well...

Can I make a suggestion?!? :

ALL OF YOU MORONS PLEASE DRINK SOME CYANIDE LACED
KOOL-AID 12/21/12, BEFORE MIDNITE & Go out Jim Jones
style. Save us the trouble of LAUGHING AT YOUR SORRY
GULLIBLE MORON ASSES FOR THE REST OF ETERNITY

AFTER all, if you're right you'll be dead by midnite
and whatever pain is involved with this Mayan-death
thingy, will skip by you. PLUS on 12/22 the rest
of us wont have the PAIN OF HAVING YOU DUMBSHITS
around anymore. It's called 'Survival of the Fittest'
and it doesn't always mean physical fitness either.

You are too stupid to pass Go, too stupid to collect
\$200⁰⁰. You are a Moron. You have no right to be here.

IF you find this blog amusing, you may NOT be a
Moron. IF you are offended because you JUST KNOW
12/21/12 means Mayan/Jehova Lunatic Death Day, you
ARE A moron. Stop reading, head to E'bay to buy your
ticket out and send me all of your money and valuables.
I am NOT Mayan or Jehovas Lunatic... I will be here
12/22 and a LONG time afterward. So you'll be dead
& not needing funds. I wont be dead, I need funds.

The CDCR accepts Checks, Money Orders, Western Union & Jpay. Thankx!!
