Dear Jess

Greetings! I received your comments last night. On Lisa... well her and I divorced in late 1990. I was in the Dural County jail waiting to go to trial for this case, and she showed up there with the divorce paper's. She needed to get the divorce so she could get married. We had a nice visit - we talked for awhile, I signed the divorce paper's and she left. That was 22 years ago. I haven't seen her since. Last year I was able to get her address. I wrote her, but she never responded. I hope she's doing good and enjoying life. I'm sure by now you've read the story by now of Lisa and I splitting up.

I hope you received my letter's and card's that I sent you. I was hoping to hear back from you. Always feel free to write me. Please take care.

Sincerely
Donald W. Clark Jr.
