"Qualities I Look for in a man"

He has to be intelligent sexy tall Dark Chocolate with a muscular physique. Chest on Swoll six pack abs the whole nine yards. He's got to look in my eyes when were talking.

I like a man's eye color brown, green or gray etc. I like a man in a suit tie, dress shoes with good smelling cologne on at all. And a clean shave / Haircut.

He can't have "No kids" I don't have none and, he must be.

Single and, ready to mingle. I got to enjoy his company. He must keep fresh breath and, be willing to Kiss me in public. He must be able to hold an authentic conversation.

He got to have his own Home, job, car etc. That's important to me. A man has to satisfy me sexually. Plus be Faithful to me **ONLY**.

Also make me feel like I'm the only One in the "WORLD".

I'm open for any Opinions and, comments.
