

Hailsa slfreeman88:

The name "freeman" rings a bell. Are you kin of mine or Sean's? Regardless, I sent him the printout of your comment & will post any reply he wants me to post. I assure you he appreciates your concern.

Attorney Jerome Bating, Ph. 262-821-0444, fx. 262-821-5599, 400 N. Executive Dr., Suite 305, Brookfield, WI 53005-6029 read the post too, but told me he can't take Shiker's case pro bono. Bating is a beast, but money talks. Too few with a sense of decency have money. Please consider helping Sean raise the funds for hiring Bating or the like (Robert Henak is an appellate monster too), possibly by posting the lowdown on wishuponaherofoundation.org & any other philanthropy sites you can dig up.

Please feel free to copy, e-mail or print the interview & send it to any media places, such as c.luorno 20/30@abc.com; nightly@abc.com; info@ap.org; editor@lacrossetribune.com; pbrinkman@madison.com; editor@motherjones.com; editor@usatoday.com; letters@time.com; jseidt@journalsentinel.com, and, my lost amie, celine.burdeau@wanadoo.fr (send her my best). Include a catchy cover letter so they read your attachment.

It would help me & help him if you'd post the U.R.L.s for my blog &, if possible, my profile page on: googleplus; twitter; facebook; infospace.com; Mmgco.com/top100.html; reference.com; 2020tech.com/submit.html, & other net directories. Ditto with Sean's websites.

F.Y.I., Sean took down his blog on BtB b/c they wouldn't let him post his forensic psych. reports that lay out how his kids were coached & his ex was lying & physical evidence contradicted her allegations. She was allowed to post stuff he was never even sent copies of! WTF is up w/ that Benj?! He just filed one libel suit on her about her trying to frame him for downloading child porn (she downloaded it while he was in jail, got caught, but the f'ing prosecutor let her off!), & we may sue her for any lies she posted on his former blog here.

His main concern, & mine, is his children's welfare, then clearing his name, even if he never gets out alive. Few here can understand that. Few here have that sense of honor etc. Hopefully you can understand what I mean.

Nikki, this note is for you too! ☺ Appreciate any 'net work you can do!

W/ Honor & Respect
