Victimized by Hoax accusations

I stole drug dealer Steve Lewis black leather jacket
In revenge he had K MJ (dob 11-23-81) & PMK (dob 3-29-81)
fabricate stories. At trial by the bench I would be
acquitted of K MJs allegations & found guilty of
PMKs. Due to an alleged 5 day delay in reporting no
DNA sexual assault victim kit examinations done.

Moral Dilemma

It is just as important to exonerate an innocent person as it is to convict a guilty one. What type of world would this be if we didn't help each other out every once in a while?

Providence

Let brotherly love continue. Do not forget to entertain strangers, for by so doing some have unwittingly entertained angels. Remember the prisoners as if chained with them * those who are mistreated * since you yourselves are in the body also. Hebrews 13:1-3 KJV.

What would Jesus do?

Comforters, Secret Millionaires, Secret Santas, browsers, potential pen/pals. Snail mail me an introductory letter, electronically leave comments * exercise charity curing poverty affording me an opportunity to hire legal representation.

In Conclusion

Private investigator obtains newly discovered evidence; mounts sting operation recording potential recantation. A Horney petitions trial court for new trial for vacatur/exonerate status proving my actual innocence. Help save my life.
