Dear

Hello! Well, I could only hope you all that has been reading my blogs has liked what I've placed. Well I write again today to tell everyone that my address has changed, I'm in another prison and there's so many stories to share about this place but, for now I'd like to just give you all my new address and hope, maybe I'll hear from you all I can really use the friendship but, I guess it's not gonna ever happen.

- Anyways, my time in this place isn't all that!

It's very different from the other prison I was at. Well, I'm in a dorm with like 50 different people and it's crazy and loud, I don't like it at all. People here aren't violent like in the place I was at. No fights here really at all.

The cops here talk out there mouths a lot to inmates and they put us in the hole for stupid things like for talking to loud, that stupid.

Well, I've not really been in a writing mood cause, I'm on really hard times and it's hard to write or do anything when my life isn't going so well at all.

- Anyways, this is for Nicki: Hello! How's everything with you these days. Well I don't know if you'd get my other letter cause, I sent you another one I moved and my new address is:

Thomas Smith  
#: W88497  
P.O. Box 9106  
Concord, MA.  
01742

Well, I hope you're doing good and you do receive my letter and reply. But, if not then bless you and the boys, okay...

Always yours  
Thomas.....
