
mp Response to comment on Letter to HP 10.17.12

Hey Lisa,

Good to hear from you again. I am sorry to hear about your experience in Knoxville. I hope you can connect with some other sites after your house sells. On facebook, sure you can link anything from betweenthebars.org to your page.

Don't worry about using technology to communicate with me. Type your notes and drop them into a snail mail envelope to my pobox at FCI Bastrop. I like the old fashioned letter.
