

★ Kee-kee,

Hey beautiful! Just wanted to thank you specifically for being such a wonderful person. You have been the perfect "liason" over the years, which speaks highly of your character because good, dependable people are hard to find these days. I'm honored that you enjoyed my blog & art work. Maybe now you'll let me do a tattoo on you when I get out (for free of course).  Let Pee-wee know that I love you both very much.
