"MURDERED"

Page 1 of 1

The FDOC is transferring sgt. and co.s out of here (UCI) that have been involved in assaults on inmates. Both of them coward punk sgt. that was involved in assaulting me back on May 21 and 27<sup>th</sup> 2012 have been transferred. And I was glad to hear that. Both of them are coward a\*\* b\*\*\*\*!" you have to be to put your hand's on an individual who can't defend themself's. only a punk a\*\* coward would do that. The same type of p\*\*\*\* f\*\*\*\* boy that beats on a woman!" cause he's not man enough to go head to head with a man whose not restrained. so he has to take his aggression out on a restrained inmate, or take his coward a\*\* home and beat on his wife or girl friend!" cause he know's he's a bitch!!" I hope they are reading this, punk's!"

At least some positive changes are taking place here. But it's a shame that it took Frank Smith being murdered!" Beat to death by a coward a\*\* b\*\*\*\*!" Beat and murdered by warden Barry V. Reddish's hench men. Because our secretary Kenneth S. Tucker was complicit with the assaults and other illegal activity of warden Reddish. which goes to show that secretary Tucker, - suck's at being a secretary!!" secretary Tucker needs to be fired! I reported the abuse to him, telling him how this no good warden Barry V. Reddish was having it's inmates assaulted, and he took no action. so secretary Tucker's hand's, are covered in the blood of Frank Smith. He is responsible for this murder. Because he

MURDERED

Failed to take action, and prevent the assaults that he knew was taking place here at Union Correctional Institution (UCI).

We need more change, we need to weed out individuals who are complicit with the unlawful criminal conduct that takes place inside these prisons. We need James McDonough to return as FDOC secretary. This man was stopping the abuse and returning some honor and integrity to the FDOC. But every turn he made, there was resistance. I say damn these red necks feeling! Damn stepping on toes!" We need an individual who will protect Human Rights. Not some red neck do boy clown who's going to ignore assaults until a f—ing murder is committed.

Yeah — this is the Florida Dept of Corruption where stupidity runs rampant. But I'll be damned if I'll be silent.
