The character of Annie Dookham,  
you soon will be healed,  
it is a normal thing in the band,  
after all it is the Judicial Branch.

can do almost anything  
they want, that was the  
main complaint of Daniel Shays.

Yet at this moment the  
Governor's back bone statement  
gave us all one dim-ray of light.

Light and hope is at the  
end of the tunnel.  
The People-power, can  
overcome the vicious circle  
of the Stateholder.

As we take it in this and review  
will thou for-give that sin.  
The Legislative Branch was saying  
by passing Melissa's law,  
"We have knowledge of the sin,  
but we will show confidence to  
over-come the public fear."

We have shadows in the water  
and darkness on the light,  
a crystal brow, anger and  
despair, repressed homosexuals  
and denying civil rights for  
those who have language barrier.

Buiger is singing with the  
Fiddle on the Roof,  
but I sometimes hold it as a  
half a sin, because we all bare  
the fruit of sin,  
HOWEVER LORD,

The tide rises, under the power  
of Sandy's waver, sand blast as  
a baptizing act for those who  
are taking kickbacks and claiming  
they are tough of crime.

Here in Massachusetts  
Sin & Corruption is blossom,  
and rampant after all, we are  
NEW ENGLANDERS within the power,

I wonder is Cortes and Montezuma  
are being re-incarnated and  
walking around the State House.

Oh My God!!, the BACK-BONE is  
now in question, the spinal cord  
does not have a room.

"Hypocrizy is rampant and I wonder if we really have a  
Back-Bone after all?.....?"
