"Writing"

Page 1 of 1

several people have left comments stating that they want to write me, but don't know how. Well there's really no difference in writing me, than writing anyone else, address your envelope sending it to:

your letter can be as long as you would like to write it. There's a limit on 15 photos at a time no more than ten envelopes or 20 First Class stamps. you can't send in magazines newspapers or any of that.

The rules are other wise fairly simple. I can't advertize for penpals, but I'm allowed to write to penpals. That's the way the rules are structured here in Florida. when anyone writes, I always respond - its rude not to.

I'm not sure all my comments are being posted, replies that is. I hope so, I try to reply to everyone's comments, whether I agree or not.

Just wanted to fill Jessica and other's in who have inquired about corresponding with me.

In Peace Love & Friendship.

Ronnie ☺
