Dear Susan

Good morning! I received your comment last night that stated it was posted one week, three days ago, and it was great to hear from you.

I'm glad you received the card that I sent you on October 7, I haven't received your letter as of today, maybe by the time this is posted I will have heard from you.

Yes I'm glad to be OFF OF D.C. as well, and even more so, I'm glad they got rid of most of the criminals who were running this corrupt no good unethical administration, which is the only reason why I'm OFF D.C.

I'm currently just passing time painting and doing cards and pictures and trying to stay out of the way of this new administration, I am losing patience quickly, cause I want this heightened security lifted, so I can go to recreation. The only reason I'm on it, is because of a bunch of lying no good unethical scumbags, one of which is warden B.V. Reddish.

well I'm going to close, know that I anxiously await your letter. Please take care and I hope to hear from you soon.

In Peace Love + Friendship

Janie ☺
