On October 31, 2012, the DOC held the COURT ORDERED reclassification hearing in my Civil Case (Muisse Vs. Roden) and of course, just like everything else the DOC does, it was a farce. It is not the end of the issue as I have filed a motion with the Court seeking relief concerning the inappropriate 3-0 classification board vote to keep me at MCI Shirley = "ShirleyWorld". As we all know this joint (ShirleyWorld) is the bottom of the barrel as far as medium prisons are concerned (it is more like a "max") and rehabilitation here is as scarce as the Yeti of Bigfoot, but the fight goes on.

The battle for religious freedom here also rages on with GREAT news for the "Good Guys" (The Eucharistic Ministers of MCI Shirley). The "World Famous" Rutherford Institute has agreed to take our case!!! This is a true God send at the RI has argued before the U.S. Supreme Court. Please see the enclosed letter from RI to our outside coordinator A.B. Solis (She is a true God send!!!). More to come on this topic. Please pray for the reactivation of the Eucharistic Ministers at MCI Shirley.

Dear Ladies and Gentlemen of the Legal Department of The Rutherford Institute

I am so very pleased to read this email you had sent me yesterday, and I am acknowledging it now. The delay was caused by "Sandy."

It is the MCI Shirley Medium prison policy for the inmate(s) to file with their prison administration the name of the lawyer/telephone no. prior the inmate(s) could use the prison's telephone system. The prison policy allows addition to "approved" personal contacts/tel. nos. 4 times a year but for attorneys, it is **anytime** it can be added.

In this direct contact with these inmates led by Timothy J. Muise, W66927, I will dispatch my letter as soon as is possible enclosing this email I received from you today. He could only file for approval if he has the full name and contact info of the lawyer(s).

In case, the telephone number of MCI Shirley medium is 978 425-4341.

I do look forward to hear soon from you.

Thanks and Best Regards
Miss Alma [REDACTED] OCV
