**HELP US → HELP YOU!**

We want to help you by providing the highest level of educational resources. Our highest hope is to help you learn and achieve your goals with the books and resources we provide to you.

Please write us a letter if a book has helped you while you were/are in prison or if, upon leaving prison, it helps you succeed as you make a new start (get your GED, go to school, find a new job, start a new business, etc). Your success story can be big or small, it is still an equal success and we want to know!

Your personal stories of success can make a huge difference to our program. We can take your letters to potential donors and ask for more books and more funds with which we can buy more postage stamps for future book shipments.

Thank you for making our mission possible!

We hope to continue sending books to clients like you.  
Please encourage your family and friends to support us financially!
