

Hi Ginny - I haven't heard from you in a while
and just want to say hi - How are you and your
Grandma doing? - I send my love and best wishes to both
of you. We don't have access to a computer - we write
something - send it in and it gets posted - when someone answers
they print a copy and send it to me. That's all for now -
let me hear from you

Merry Christmas
Steve
