

Baby Sister,

11-18-12 Cookies without sugar - sounds like some kind
of prison made - I got all of your letters - I love the cards.
I hope you will be able to come home to California to
spend Christmas with Randy - Life is slow in here,
somedays go on forever - maybe this is just one long
dream - Remember to tell the ones you love that you
love them everyday - I love you Baby sister - everyday.

Merry Christmas
Big Brother
