Young Will.

For some reason I only just received your posting to me sent early November, letting me know the latest about Yashua up in Reno. It's really good to hear — er, I mean "read", that he is serving as such a positive influence upon troubled hearts out there. Let him know I'd like him to write me please.

So yesterday was Thanksgiving, and all I could do was think about you all and send out prayers bidding each of you fare well and really be mindful of all the blessings in your life to be grateful for.

Are you ever going to send me that list I requested? Send it to me in the mail if it's too personal to post here — and while you're at it... Send some pictures too.

Oh yea, I just received more of our old family photos I left up in Montana. There's a few of you and Yashua I'd like to send you guys. Let me see if I can post one here. I love you buddy. Be blessed.

P.S. look up: www.waldorfearlychildhood.org and see what books and stuff they have. All my best ♡
