November 16-18, 2012

November 16, 2012 Friday 7:14am I just finished writing a motion for an extension in this civil case, so I'll be getting that out in the mail this morning. I'm not going to allow that low life punk ass scam bucket unethical warden we had to get away with what he done to me, so I've got to make this happen. I need some damn legal help - but that's not going to happen. Well I'm going to spend some of the day painting. I didn't get any mail last night, so I don't have any letters to write. Not sure what else I'll do. I need to wipe my floor down, then turn on my music and pass the day away.

9:18am Sgt. From the law library just picked up my motion for the First District Court of Appeals. Hope he doesn't throw it away. or read it, and then come back and retaliate. Well I need to get back to work.

2:39PM just been painting. I was talking to an inmate earlier whose been down 3 years. He's got just over a year left to do. I said, "I've been down 23 years come February." He said, "Hell no." there's no way. He then asked how old I was, I said "How old do you think I am?" He said "maybe 26." I had to show him my ID card before he would believe I was 44, and then he said that cell must be preserving you. Made me feel good to at least not look like I'm in my 40s. I also talked to my Classification Officer who told me to write Sgt. Lee about finding out about getting off this heightened security. so I just did that. Now I'm listening to music waiting

For this paint to dry. we have sausage for dinner. Tonight's shower night. Monday, Wednesday and Friday is shows for the first floor. The second floor is Tuesday, Thursday and Saturday. we'll get back to my painting.

\* Saturday November 17, 2012 7:05 am. just finished cleaning my cell. They came by about 30 minutes ago with cleaning supplies. I spent all day yesterday working on cards. which I'm going to continue to do this morning. I only got one letter last night and that was from my mom, so I'll write her this morning. and then at noon I'll lay back and watch some football.

2:27 PM I've been doing some painting, working on a card and a little painting that I'm doing. It's coming out nice. I also wrote a couple of cards. one to my cousin. one to my Christian friend Otto. The football games on are all garbage. I'll watch the Oklahoma Sooners tonight at 7 PM. I'm just listening to music now passing time. my world - sucks! I seen some one spend \$75,000,000 on a painting, that is 9 foot tall, in 3 shades of color, that looked like something a five year old painted. seventy five million dollars wasted! Cause some one had so much money, that they didn't know what to do with it. That - a quarter of that, would have bought my freedom. It's crazy. well I'm going to do some more work on this card, and in an hour or so go see what other games are coming on.

6:47 PM I just finished up a card, and it came out really nice. one of if not my very best. I spent probably ten hours on it. Been looking at some of the games off and on. I'm fixing to lay back and watch Oklahoma

and West Virginia. I had a pretty productive day.  
\* Sunday November 18, 2012 7:03am I've been up since 5am. I was messing with one of my cards. I just put it up. I'll keep messing with it trying to improve it until I mess it up. I've got to clean my floor, shave and finish a letter. I've been without a light in my cell for 2 weeks now. Hopefully they will get it fixed this week. Although I doubt it, since they will only be working Monday Tuesday and Wednesday, and because of Thanksgiving there will be a four day weekend. I don't like holidays in here, they mess everything up.

9:19am I'm having a hell of a time finding an ink pen tip that writes good. I hope this one works. I just finished a letter. Now I'm going to do some painting. I'm not sure if painting isn't making my eyes worse. On top of that, I've got something going on with a dizziness and ear's rattling. Strange. Well I'm going to get to this painting.

2:45pm Just wrote a blog called, "Why?" I was just sitting here thinking and wrote it. Only one football game on and that's the Jacksonville Jaguars who I hate! And I want watch them. I think I'm going to do another card. I'll at least start one. I washed my T-shirt earlier, and I'm just listening to music now.
