"Unforgiven"

This life, This life, This life I was liven
was totally fuck-n unforgiven!
For I was doing drugs
Hanging with thugs
Life on the street
I was feelin the heat
one slip-
and my so called friend would dip
Now that's the shame
to the drug game
For your bound to none
under the gun
Trustin absolutely no one
I had hooked up with a two bit sucker
acting like a dumb mother fucker
Being a follower
instead of the leader I am
So I fell into his fuck-n scam
Now the bitch walked
cause he could talk the talk
Convinced 12 jurors I was the trigger man
behind his grand plan
So now I must die
for this fuck boys lie
For in the court room of doom
the verdict was read
that you've earned your place
among the dead
Now the pussy boys words
were dastardly cold
as he said-
May God have mercy on your soul
So here I lay, strapped to a gurney
awaiting my final, my final journey
For all to see
Premeditated homicide is what it will be
Now the liquid will flow

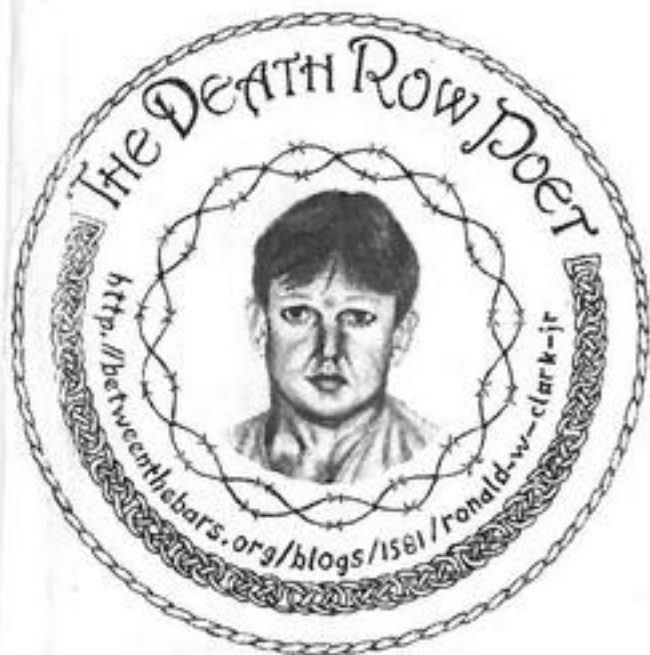

through the I.V. below
My eyes will shut
My lungs will collapse
and my heart will burst
and my body will be driven off
in a pearly white hearse.
In the name of Justice,
is what they will cry
But the Justice they seek
was nothing more than a lie
For it was all quite phony
with false testimony
The trial was a sham
yes, one big scam
For I had no support
from the U.S. Court's
Who assigned Mr. Davis
an incompetent ass attorney
and that's why I'm off
on my final fuck-n journey
Then the warden announced
any last words
When i burst out with this
for all to be heard
Razor wire fence
I'm held in suspense
surrounded by concrete and steel
I'm held to surrender to your will
Premeditated hate
I awate my fate
So here I am to face
your execution date
Stepped off in a room
I felt the doom
and I looked around
as you strapped me down
Strapped to a table
Completely unable
My last words will be heard

and I'm speaking them loud
and will hold my head proud
and now I must say
An eye for an eye
and a tooth for a tooth
but I'm here to share
to share the mother fuck-n truth!
For this here
I have no doubt
This is truly what
it was all about
An eye for an eye
America will cry
but I'm here to say
That's a mother fuck-n lie
For a rich man will walk
and a poor man will die
That we can't deny
nor can we justify
"Worst of the worst!"
yea, maybe so,
for it's a lawyer
that put me here on Death Row
He was assigned by the state
to determine my fate
For I was poor white trash
Baby, just another junkie
and that's why they assigned me
a two bit flunkiell
And I knew, I knew
at first glance
that I did'nt stand
a mother fuck-n chance
So I close my eyes upon this gurney
as I await my final, my final journey
In the land of the free
and the home of the brave
That's a mother fuck-n lie
For the poor are depraved

One nation under God
Where these judiciary punks
commit the ultimate fraud
Yes, the life, this life, this life
I was livin
was totally Fuck-n unforgiven.
